CHARGERS PLAYER SCORES TOUCHDOWN FOR FOSTER CHILDREN!

Supervisor Greg Cox, along with Supervisor Ron Roberts, will honor San Diego Chargers cornerback Quentin Jammer and his wife, Alicia, for their work in helping foster children at the County's San Pasqual Academy.

9 a.m. Tuesday, March 24, County Administration Center, 1600 Pacific Highway, San Diego.

PROTECTING OUR BEACHES

Supervisor Greg Cox will propose a plan to safeguard the County's beach water monitoring program, which is being threatened by the state's budget crisis. The proposal would allow the County to continue checking the quality of the water in our beaches and bays. The summer monitoring program is scheduled to begin April 1, but funding from the state has been held up.

9 a.m. Tuesday, March 24, County Administration Center, 1600 Pacific Highway.

OPENING THE DOORS TO HIGH TECH HIGH

Supervisor Greg Cox will join community leaders in opening the doors to the new High Tech High Chula Vista. The new campus is built with features that will make it one of the greenest schools in the region.

1:30 p.m. Tuesday, March 24, 1945 Discovery Falls Drive, Chula Vista.
